THE CITY OF SPORTS IN FIGURES

450,000

square metres

Total area of the
City of Sports Camilo Cano.

4,500

Users come daily to these
facilities.

100

An investment of more than
100 million euros.

A group of hikers is seen from behind, walking along a dirt path in a dense forest. The path is flanked by tall, slender trees with green foliage. Sunlight filters through the canopy, creating dappled light on the ground. The hikers are dressed in casual outdoor attire; some are using trekking poles. The overall atmosphere is peaceful and scenic.

A 1,000,000 m² pine forest area where you can walk,
run or do mountain biking routes.
